

## PRESS RELEASE

**C3R** awarded the Department of Army Training and Doctrine Command (TRADOC) Antiterrorism Subject Matter Expert (SME) Contract

### FOR IMMEDIATE RELEASE

DUMFRIES, VA, July 14, 2015:

**CONCORD CROSSROADS, LLC (C3R)** announced today an award to provide prime contract support to the Army's Training and Doctrine Command Maneuver Support Centers of Excellence. The C3R team will provide Antiterrorism subject matter expert support at nine separate locations. The team will provide program support. C3R will provide critical support to enhance and improve the command ability to protect and defend against terrorist threats which includes lone wolf attacks, insider threats, active shooters, other incidents or acts of terror. "C3R has provided this kind of critical support to TRADOC for the past three years and we are very excited to provide this service on our first contract awarded on the GSA Schedule 84. We have been providing these kinds of service to the Army for more than twelve years, and we are extremely excited to continue supporting the Army's program. The AT program provides policy and awareness for the protection and defense against terrorist for the Army's military, civil servants, dependents, and their property", said Claude Wood President/CEO of C3R.

### About Us

Concord Crossroads, LLC (C3R) is a Service Disabled Veteran Owned Small Business (SDVOSB) and an SBA Certified 8 (a) company. C3R was founded with the purpose of providing expert solutions in the areas of Administrative Services, Personnel Security Services, Force Protection Services, and solutions for law enforcement, security, facilities management, and emergency services. C3R's commitment to Character, Commitment, Courage, and Respect has enabled us to provide quality services, support, and personnel to meet the ongoing security and administrative requirements for our nation's military. Our services and teams help keep America's soldiers, families, facilities, and property protected on a daily basis worldwide. C3R's core strengths are providing and supporting the following programs; antiterrorism, strategic planning, physical security, intelligence operations and analysis, cyber technology, defense critical infrastructure program management, emergency management, biometric security program management, terrorism vulnerability assessment planning and execution, training program support services, administrative personnel security and adjudication, conference planning and execution, resource management, and operational infrastructure support. C3R is a proud equal opportunity employer, with a seventy five percent veteran workforce team, ten percent female veteran workforce, and a continuing commitment to hiring veterans. C3R is headquartered in Dumfries Virginia and is providing innovative solutions on military installations both CONUS and OCONUS.
