

## CLAUDE A. WOOD RECEIVES CONGRESSIONAL CITATION

### FOR IMMEDIATE RELEASE

**DUMFRIES, VA, DECEMBER 8, 2014:** On October 23, 2014, Concord Crossroads (C3R) was one of 49 businesses from 13 states and the District of Columbia to participate in the Veteran Institute Procurement (VIP) conference in Rockville, MD. VIP is a comprehensive training and certification program that helps veteran-owned businesses strengthen their ability to win government contracts and do business with both military and civilian agencies. President and CEO of C3R, Claude A. Wood was one of the many small business leaders to take an active role in the exercises and information exchange at the VIP conference. During the program's closing ceremony, Mr. Wood was presented with a congressional citation on behalf of Congressman Rob Wittman, First Virginia District.

Mr. Wood said "The C3R team is keenly aware of the value to be obtained from attending and participating in the VIP program. The knowledge, networking relationships and instructional material will be used to enhance our company's business opportunity pipeline. Exceptional industry instructional support was provided and top government leaders participated in the program."

### ABOUT US

Concord Crossroads, LLC (C3R) is a Service Disabled Veteran Owned Small Business (SDVOSB) and an SBA Certified 8(a) company. C3R was founded by retired Army Colonel Claude A. Wood with the purpose of providing expert solutions to the federal government in the areas Force Protection and Mission Assurance. C3R's core strengths are supporting Anti-terrorism strategic planning and program management, physical security, Intelligence Operations and Analysis, Cybertechnology, Defense Critical Infrastructure Program management, Emergency Management, Biometric Security Program management, terrorism vulnerability assessment planning and execution, Training and Program Support Services, administrative personnel security and adjudication, and Operational Infrastructure Support. C3R is headquartered in Dumfries Virginia and is providing innovative solutions on military installations both CONUS and OCONUS.
