DUMFRIES, VA

May 2017

Concord Crossroads has been awarded a multi-year contract to provide maintenance and service to the Womack Army Medical Center-Fort Bragg. The contract will require Level I level support for the systems to ensure they are operational and in compliance. Concord Crossroads will be required to provide maintenance and services to the systems to ensure they are in compliance at all times. Concord Crossroads' technical experts will evaluate, troubleshoot, and install all required components to ensure the systems offer required protection measures. Concord Crossroads will team with established national experts who are a leading Electronic Security provider to ensure the work is completed efficiently and timely. Team C3R is honored to serve as the Security System Integrator in support of the Womack Army Medical Center-Fort Bragg.
